Hi Allison,

My notes for the meeting are attached. They don't really resemble the progress report you sent me as an example previously so let me know if you'd like to do something different. Also, do you have material from ORD you'd like me to incorporate?

Thanks,
Kate

Hi Allison and Bill,

Here are the talking points for Robin's meeting with NC State Senator Wiley Nickel. This is quite a lengthy document for talking points, especially since Robin may not have much time to present. I'd like you both to review what's here and then I'll send to Robin to ask if there are sections she'd like removed or if she'd prefer to have the whole document. Thanks for all your help in putting this together!

Hi Allison,

I did some more work on the NAEMS talking points to organize them into sections so that the document is more appropriate for briefing materials. Can you review and let me know what you think?

Thanks,
Kate

Hi Kate,

Thanks for helping put the pager together. I've attached a tracked version and a clean version.

Robin – we just shortened the most recent pager we had put together for NAEMS a couple of months ago when the NC rep was supposed to come in and meet with you about the project, so it's all been recently reviewed. I have a printed copy for you to review if that's easiest.

Please let Kate and I know when we can send this forward.

Cheers,
Allison
